

**"A scholarly yet reader friendly book,  
a challenge to your comfort zone."  
Dr. David Yonggi Cho**

**ALF DROY A REVELATION!!**

**"I highly recommend that you buy both books to circulate amongst your uncommitted loved ones; they may well find Christ, between these pages."  
Richard Norton — Siloam Christian Ministries**

**"'Wake Up! The Lord is Returning' is a scholarly yet reader friendly presentation of a vital aspect of the Christian faith. You will be challenged as you explore the author's insights, and examine your own personal understanding of God's purpose at this time in history."**

**Dr. David Yonggi Cho — Senior Pastor, Yoido Full Gospel Church, Seoul, Korea**

**"'The Lord is My Shepherd' is quite remarkable, charismatic, challenging, illuminating and encouraging, while 'Wake Up! The Lord is Returning' reveals three fascinating strands of this carefully, detailed work.**

- 1) Alf's interpretation of Scripture in relation to world history**
- 2) Alf's visions, words of knowledge and prophecies (reminiscent of Clifford Hill's own calling)**
- 3) Alf's fulfilled prophecies, and his confidence in his other predictions coming to fulfilment.**

**As Jeremiah before him, Alf knows he has to be faithful to his commission despite rejection."**
